J. H. ZEILL & CO., Macon, Ga., and Philadelphia.

THE SYMPTOMS of Liver Complaints are numerous and pain in the side. Sometimes the pain is in the shoulder, and sometimes for rheumatism. The stomach is affected with loss of appetite and sickness, bowels in general constipation, alternating with laxity. The head is troubled with pain and does have sometimes considerable loss of memory, accompanied with painful sensation of having left undone something which ought to have been done. Often complaining of weakness, debility, and low spirits. Sometimes the disease gives symptoms of the disease, and at other times very few of them, but the Liver is generally the organ most involved.

NEARLY ALL DISEASES originate from Indigestion and Torpidity of the Liver, and relief is always speedily sought after. If the Liver is Requited in its action, health is almost invariably secured. Want of action in the Liver causes Headache, Constipation, Jaundice, Pain in the Shoulders, Cough, Chills, Disease, Sour Stomach, Bad Taste in the Mouth, Bilious Attacks, Palpitation of the Heart, Depression of Spirits, or the Blues, and a hundred other symptoms, for which SIMMONS' LIVER REGULATOR is the best remedy that has ever been discovered. It is safe, easily, effectually, and, being a simple preparation, of the purest qualities, it may be taken. It is harmless in every way; it has been used for 40 years, and hundreds of the good and great men of all parts of the country will vouch for its being the purest and best.

THE CHILD'S — My wife and self have used the Regulator for years, and testify to its great virtues.
